INFORMATION DISCLOSURE STATEMENT
UNDER 37 CFR §1.56

Commissioner for Patents
PO Box 1450
Alexandria, Virginia 22313-1450

Sir:

Submitted herewith on Form PTO/SB/08 is a listing of documents known to Applicants in order to comply with Applicants' duty of disclosure pursuant to 37 CFR §1.56. A copy of each listed document, except as noted below, is being submitted to comply with the provisions of 37 CFR §1.97 and §1.98.

The USPTO has waived the requirement under 37 CFR 1.98(a)(2)(i) to submit copies of U.S. patents and U.S. patent application publications when citing and submitting an Information Disclosure Statement in a patent application filed after June 30, 2003 and in an international application that has entered the national stage under 37 USC §371 after June 30, 2003. Accordingly, copies of these types of documents are not being supplied in connection with this application. Reference is being made to Pre-OG Notice from Office of Patent Legal

Administration dated July 25, 2003, *Information Disclosure Statements May Be Filed Without Copies of U.S. Patents and Published Applications in Patent Applications filed after June 30, 2003.*

The submission of any document herewith, which is not a statutory bar, is not intended as an admission that such document constitutes prior art against the claims of the present application or that such document is considered material to patentability as defined in 37 CFR §1.56(b). Applicants do not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a *prima facie* art reference against the claims of the present application.

TIMING OF THE DISCLOSURE

The listed documents are being submitted in compliance with 37 CFR §1.97(b), before the mailing date of the first Office Action on the merits.

RELEVANCE OF EACH DOCUMENT

The relevance of the foreign-language documents is described in the present specification. An English translation of the foreign-language documents is not readily available. However, the absence of such translation does not relieve the PTO from its duty to consider the submitted foreign language documents (37 CFR §1.98 and MPEP §609).

Erlhofer et al. (FR 2 576 496 titled “Make-up Case for Volatile Creams”) describes a make-up case that has a seat (12) and a lid (14) hinged on this with a mirror (16) on it's inner face. An inner cover (20) is hinged on the seat and closes the (22) in it. An insertion piece (18), made of polypropelene, is fitted into the seat making an airtight seal. The opening is circular and the inner cover has, on it's inner face, an annular lip (24) which can be pushed into the opening. On the outer face of the cover there is a projecting edge that presses against the inner wall of the opening.

Weick, H. H. (WO 83/02051 titled “Refillable Case for Refreshing Towels”) describes a refillable case that comprises a bottom shell portion (1) and a cover shell portion (2) which are joined together by a hinge (3). The shell portions enclose a circular chamber (4) in which are disposed two stacks of freshen-up cloths (6), of square configuration, folded into a semicircular form. A retaining member (5) in the form of a plate is disposed centrally in the chamber, approximately at the level of the plane of the chamber opening. Each cloth is so folded and fitted into the chamber that a triangular portion is on the top.

Applicants respectfully request that any listed document be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO/SB/08 be returned in accordance with MPEP §609.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 CFR §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 06-1447. Should no proper payment be enclosed herewith, as by a check

being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 06-1447.

Respectfully submitted,

Date 12/30/03

By Scott M. Day
